NEW HORIZONS FOR OLIVE BRANCH Olive Branch Counselling continues to offer a safe and secure environment where people can address significant issues in their lives with a view to affecting positive change. We are now entering a new and exciting phase of our evolution

In 2018, we recognised that a major expansion of our service was necessary as a result of

- An ever increasing demand for our counselling
- Greater awareness of the benefits of counselling
- More referrals from ex clients, churches, GPs and mental health professionals
- Long delays in obtaining appropriate treatment from mental health and associated services
- Concerns regarding the type of counselling available from the NHS
- A recognition that our Victorian converted top floor flat had outlived its purpose

As a result of a long and prayerful search, we finally found a new, larger and well appointed suite of modern counselling rooms in the centre of Chippenham. We moved in on October 25th 2018 and we are now

- Taking on more volunteer counsellors
- Increasing the number of clients that can be seen at any one time
- Offering a more professional counselling environment

If you, or someone you know needs to talk to a professional, compassionate and caring counsellor, they can contact us in complete confidentiality, we are here to listen. We regard ourselves as a small part of Christ's healing ministry in Chippenham and its surrounding towns and villages

We welcome your prayers for our work but you can help in more practical ways too. For example, you can join our Support Team, no work is necessary, we just ask you to occasionally sit in our office for an hour on those occasions when a counsellor is alone with a client. We would also welcome any financial support you can offer, no matter how small. You may even feel energised enough to help start a 'Friends of Olive Branch' club running any activities that puts the fun into fundraising
