

Perrott Hill Falcon Holidays

Summer 2019

We have had two great weeks at Perrott Hill Falcon Holidays this year. The young people have been engaging and have had fun in so many activities. New friendships, new skills and knowledge have been gained in these weeks by members and leaders alike. Both the leaders and the youngsters adapted well to the frequent change in the programme due to the weather. From the apprehension on arrival to the tears of joy and disappointment of leaving Perrott Hill many emotions have been experienced by members and leaders.

We were all truly blessed on both weeks by the worship leading by Dr Rev Richard Venn. Richard managed to pass on the message of creation, the perfect world God created, and how he trusted man to manage it. The message that God gave his only son to save us from sin was understood and explored. Using young modern hymns created the opportunity for both young and old to sing the Lord's praises. In fact it was a moving experience to see the youngsters enthusiastically singing "rescue me" by Rend Collective.

All that we have achieved over the last two weeks is thanks to so many people. Crealy Adventure Park, Hollywood Bowl, Vivary Activity Centre and Crewkerne Aqua Centre all gave us concessionary rates to enable us to attend their venues. Churches and members in Malmesbury, Chippenham, Clevedon and Semington Village Bridge Club have been really generous with financial gifts. Chippenham Rotary Club, Heals of Malmesbury, The Forbes Trust and The Bristol Methodist District have also been very generous.

We also owe a big debt of thanks to the leaders who have given up time, money and holiday to help out on the Falcon Holidays, and to Church Pastoral Aid Society who make all that we do possible and Perrott Hill School who have now accommodated us for 17 years.

For God so loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life John 3 v16.

We are planning a new adventure this year and hope to go Longleat Safari Park and Festival of light on the 1st December as a Perrott Hill reunion.

The benefits and advantages of this are many. It will be a great day out for our members halfway between this year's holiday and next year. We can invite the youngsters who will be 10 next year and eligible for the first time to come to Perrott Hill Falcons. This will give them the advantage of meeting the team and spending a day with us prior to embarking on a residential week. We can invite prospective leaders for next year to taste and see what we are about and see if this missioned for them.

To enable this to happen and be a success we need to recruit enough CPAS, DBS checked leaders to help on the day. We need to arrange transport and to raise the funding. Please pray for all this to happen.
